4 GROUND / GREEN: soft ->	slope VOTE 2 / SLOPE AMBER
4 GROUND / GREEN: SAND ->	dead VOTE 1 / BATTERY BLUE

LOOK -> FOLLOW -> VOTE
The right card is a past example, not a peek at this map.
Vote for its **category**; the rep chooses what to reveal.

> **After the vote:** the rep flips that category in the **next square**.
> A second vote uses the **same source cue**. If your category is already open, abstain.

KEEP THIS SHEET FOR TEAM D. Vote colors identify categories, not danger.
White Rover cards mean SAND, STORM or dead battery · Simulated historical examples · Seed 42

Your piece of the data

TEAM D
SHEET 50

1 The rep calls a revealed card, e.g. **DUST / HAZE**.
2 Find that left card. Follow its arrow to your historical example.
3 Raise the right-hand **category's paddle**. One person, one vote.
